

Dairy's Boundless Potential

Advancing science and technology through the International Dairy Federation

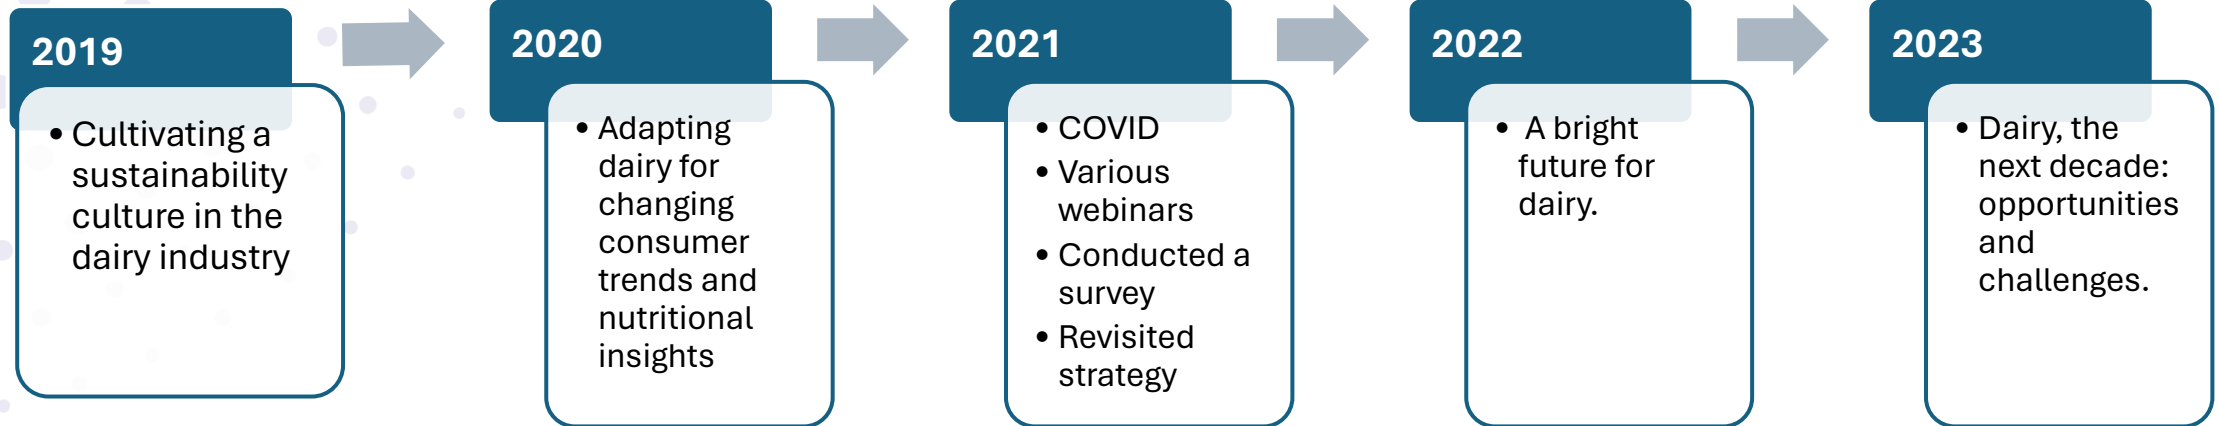

SASDT Symposium
16 May 2024

Purpose of the day

To continue on our journey to ensure that the South African Society of Dairy Technology remains a driver in the dairy sector to work towards a sustained future for dairy

A glance at our journey over the past 5 Years

Vision of the SASDT

The vision of the South African Society of Dairy Technology (SASDT) is to bring science and technology to the dairy industry.

Today we expose delegates to the International Dairy Federation which will be a focus area today
